

## GLNC Newf Notes July 2021

### PRESIDENT'S MESSAGE

*Photo Credit: Jim Zablotny*

Hello All!

I hope everyone is well. It would appear that we are able to get back to business as usual after a rather trying year. It doesn't seem real or possible, but I'm cautiously optimistic! I wasn't someone that learned a new skill or craft or hobby during my year at home. Lockdown made me realize that, other than club or dog events, my life is mostly at home anyhow!

**To that end, visit the GLNC website for the details on a the July 31st summer picnic Bark-B-Que!**

If you learned a new skill or got online and read about lots of things that you can do with your dog, but have no idea where to start or go from here, this is the event for you! Come on out and quiz our panel of experts on anything Newf related! Health, training, grooming...

Bring your gently used dog equipment to sell for rescue. South Central Newf Rescue is no longer covering MI or OH. Volunteers are desperately needed to assist homeless Newfs in Michigan.

**GLNC membership/business meeting will at 1pm at the Bark-B-Que!**

I can't wait to see all of you there!

***Jenny***

## GLNC MEMBERSHIP NEWS

### WE WANT YOU!

With fewer or no restrictions, GLNC will be going ahead with the annual water and draft tests and other functions. We want to have club functions and we can't do it alone! The water and draft tests require a huge number of volunteers themselves. The nice thing is that we will take you, no experience required! If you would like to help organize a GLNC function, but have no idea where to start, please contact any of your GLNC board members.

**We are here to help and love to have help!**

## GLNC 2020 AWARDS

**The Great Lakes Newfoundland Club would like to congratulate all of it's members who have earned a title in 2020.**

**What is a title, really?**

Not just a brag, not just a stepping stone to a higher title, not just an adjunct to a competitive score: a title is a tribute to the dog that bears it, a way to honor the dog, an ultimate memorial. It will remain in the record and in the memory, for about as long as anything in the world can remain. And though the dog herself doesn't know or care that her achievements have been noted, a title says many things in the world of humans, where such things count. A title says your dog loved you enough to do the things that please you, however crazy they may have sometimes seemed.

In addition, a title says that you love your dog. That you loved to spend time with her because she was a good dog and that in a world of disposable creatures, this dog with a title was greatly loved and loved greatly in return.

And when that dear short life is over, the title remains as a memorial of the finest kind, the best you can give to a deserving friend. Volumes of praise in one small set of initials.
